

Why does it take a minute to say hello and forever to say goodbye?

I want to thank the parents for their support, understanding and patience you have given our staff. We enjoyed all the flowers cards, and the breakfast and lunch that was served to the staff by the parent volunteers. We had a great response to our picnic. It was so enjoyable to see the teachers, parents and families having a great time and enjoying each other's company.

I have many people to thank for making this final picnic such a memorable experience for all of us. I want to thank our payroll service, Xact, for providing the jump house and the popcorn machine. A special thanks to Freda Collier, Lucas's mom, for making the video slideshow. Also thanks to Kevin Cloutier the owner of **Feetfirst** who was our DJ for the picnic. Also a special thanks to all our teachers for working so hard at the picnic. Also thanks to Theresa Miranda and her husband for serving the lunches and picking up the some 60 pizzas, and making sure everything went smoothly. I also want to thank Ina Bork and Bonnie Harvey for giving the staff the recognition certificates.

We still have openings for summer in our full time classes. If you are interested, please come into the office to sign up.

I want to close this newsletter by saying how much I have enjoyed being the director of Community Preschool and meeting the many families and seeing the smiling faces of your children as they have come into our school. I wish all of you the best in the future.

Thank you for the support, patience and friendship you have given to me and my staff. We will never forget you.

If you want a copy of the slideshow from the picnic, please stop by the office.

Director

Music and Movement, Mrs. Judy

June is here and it is with mixed feelings that I write this last newsletter to many families who I've gotten to know and the children I've come to love! Thank you for entrusting your children to us. They are each wonderful and unique and I have learned a lot from them. Hopefully, during their stay with us they have had fun and learned a lot too! Have a great summer! For those of you who are going to be with us for the summer, I'm glad to say that I will be staying on for a few hours a week to continue providing music and movement to the four full-day classes. Music and movement classes will begin the week of June 21st.

Also, on Friday, June 4th at 10:00 a.m., Mr. Jim Pollock, Aidan Leone's (Rm 5 P.M. fours class) grandpa, accompanied by his wife and son will put on a concert for the entire school. Mr. Pollock plays the banjo, his wife sings and his son plays the electric keyboard. We thoroughly enjoyed this musical treat.
